Details

Our 17' indie trailer package comes with a fully customized interior with most things on roller carts for easy transport to set. It comes stocked with a full consumables selection to be paid for as used.

On top of this package we also have many more HMI, Kino and Tungsten fixtures as well as camera packages to fit any size produciton.

Let us know if you'd like us to supply a driver as well, best part is they can be part of your crew! We can supply a DP, AC, gaffer, grip, PA, you name it. We can even handle crewing your entire project for you if you need.

Give us a call to discuss what's best for you.
